Remote communication between the team members is done through synchronous and asynchronous means of virtual communication. Because these media cannot transmit the full bandwidth of human communication, there must be rules set how to act with these different means of virtual communication in order to prevent frustration and communication problems. Additional difficulties may arise when a virtual project team is composed of people with different cultural backgrounds. In such a case, a project manager of a virtual team has to join communication skills with intercultural skills. In order to work together under these circumstances, team building is crucial to make a virtual project a success. Successful team building in a virtual project first of...
