Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SIXTH READER: FOR THE USE OF SCHOOLS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Sixth Reader: For the Use of Schools In presenting to the public the sixth volume of Newell Creery's Series of Readers - the first complete series of Reading Books ever published in Baltimore - the Publishers desire to express their obligations to those authors and publishers who have kindly permitted them to make selections from their copyright works, and especially to Messrs. G. P. Putnam Sons for the use of the beautiful illustrations taken from the illustrated edition of Irving's Sketch Book, which appear in the Fifth and Sixth Readers of the Series. The selections are entirely free from sentiments of a political or sectarian character. There is not a line which may not be read without offense in any school, North or South, or by persons of any religious denomination. 3. The selections are unsurpassed in excellence and in variety. Every section of the country and all departments of English literature have been fairly represented, while foreign literature, ancient and modern, has not been overlooked. 4. The text (outside of the Exercises in Elocution) has not been disfigured by elocutionary marks and directions, which, when they are not entirely disregarded, too often serve only to bewilder the reader. 5. The Lessons in Elocution are not placed at the beginning, but are scattered over the book so...
