

The Long Leaf Pine: With Prefatory Remarks, on the Political and Geological History of North Carolina and the Sandhills, Including a Summary of the Flora and Fauna (Classic Reprint) (Paperback)

Filesize: 5.69 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Erica Turcotte)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Long Leaf Pine: With Prefatory Remarks, on the Political and Geological History of North Carolina and the Sandhills, Including a Summary of the Flora and Fauna The substance of what is herein printed is largely what was given as a talk on the Long Leaf Pine, April the 16th, in the City Park under the auspices of the Southern Pines Library Association. It is published for a threefold purpose: (1) to answer authoritatively all the questions that strangers ordinarily ask about the Sandhills; (2) to create a wider interest in the Sandhill region and to bring greater numbers to share in its warm, dry, bracing air and pine balm, something that belongs peculiarly to this section; (3) to quicken the public sentiment for that vast economic problem of the Costal Plain, namely, its reforestation in long leaf pine. In reference to this last point, let it be remembered that history teaches that those nations who destroyed their forests committed national suicide or became so reduced in numbers and so devoid of initiative as to be no longer a factor in world affairs. Again, in destroying forests we at the same time annihilate the animal and vegetable species that develop under these forests whose help man always had in his struggle for supremacy in his primeval environment. Whatever may be one's religious bent, it is generally conceded that nature's influence on man is uplifting. Indeed, it is not improbable that the heaven which we hope and search for in the realms above may be here in our midst, if we could only bring ourselves in true relation with the plant and animal life around...
