Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Legal History: Law and Social Change The nonprofessional study of law as a basic element in both liberal and business or technical education is today the subject of keen interest and a focal point of widening intellectual horizons. Various teaching methods and conceptual orientations are provided for. Both text and case materials are included, and the latest doctrinal developments and statutory codifications are fully reflected in the several titles, each of which...
