DAKOTA DOXY: When Spur McCoy woke up torn and bleeding in a garbage-strewn alley, he discovered that he had lost his money and his memory. Dazed and confused, he fell into the arms of a doxy with the unlikely name of Virgin and discovered a few things he hadn t forgotten. But a mysterious summons to Minot, Dakota Territory, set Spur on edge. For if the message was from an enemy, McCoy might end up dead before he could remember why he was alive.SAN DIEGO SIRENS: Bogus double eagles were popping up like pimples on a two-bit tart. To Spur it looked like a simple case of counterfeiting, but when he rode into the California town, he ran headlong into a pair of big problems. First, there was a huge Prussian madman trying to kill him with lead; then there were the twin Mexican spitfires trying to kill him with love. It was a double dose of double trouble and Spur would be twice blessed if he escaped with his hide intact.
