By Tracy C Read, Tim Fitzharris

FIREFLY BOOKS, United States, 2011. Paperback. Book Condition: New. 201 x 201 mm. Language: English . Brand New Book. An exquisite portfolio and guide to America s most popular national park. However, few tourists experience the stunning all-season splendor of Yellowstone s backcountry, which is home to wonders that, on their own, would have easily justified the park s creation. This book captures the perennial delights of Yellowstone s most popular features, but it also introduces readers to the park s vast swaths of grasslands, wetlands, rivers, waterfalls, valleys and mountain peaks, its richly diverse plant life and its free-ranging wildlife, including the newly reintroduced wolves. Photographs and books by Tim Fitzharris are universally praised for...
