

The Transformation of Bartholomew Fortuno (Paperback)

By Ellen Bryson

Pan MacMillan, United Kingdom, 2011. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. Wildly inventive, highly entertaining The Times In the late 1860s, as America was recovering from Lincoln's assassination, a man named P. T. Barnum opened a museum in New York City. Filled with oddities from around the world, it also hosted a number of sideshow freaks -- including The Transformation of Bartholomew Fortuno's narrator, the Human Skeleton. This atmospheric and utterly original story of how he fell in love with the Bearded Lady is a moving novel about human appetites and longings, exploring what it means to be profoundly unique -- and demonstrating love's power to transcend even the greatest divisions. A rich tapestry of romance, illusory science, criminal trickery and human intrigue. Let the show begin Kirkus.
