This book is No.2 in the Islands series. The first is Islands, A Coloring Book for Adults, 30 Drawings, 30 Poems 2001. The third Islands book is for Adults, Volume 2. Islands books are about being an individual, about being yourself. The drawings contain a great variety of space sizes to color-large, medium, small. The abstract drawings will engage a young person's own imagination because the shapes look like different things to different people and will evoke personal thoughts and emotions. The drawings have original poems that interpret them (1st -12th Grades). The poems's messages will entertain and intrigue young people to think about life. The poems contain many themes: butterflies, moons, connection, fruit, saving money, feelings, blizzards, the importance of thinking, brick walls, artists, Vivaldi, squares, trees, violence, egos. There are also 4 simple and fun recipes. REVIEWS: . .refreshing new idea,...

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
