paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2004 Pages: 425 Language: Chinese in Publisher: People's Education Press Foreign Educational History Outline undergraduate Elementary Education major foreign education history textbooks. Foreign Educational History cross past and the present. involving large land area. the content is extremely rich. while assigned to the lesson of discipline less the objective contradictions there is more content and less time. Undergraduate Elementary Education major textbook: Foreign Educational History Outline implement the arrangement of the table of contents on the thick this thin ancient principle. Principle. the ancient part of about 18% to the Modern part accounted for about 30%. accounting for about 52% of the modern part. Attention to two points on the arrangement of the content. First. to implement the principles of the education system and the educational thought both educational theory and educational practice. Should not only focus on the history of education in the development of the basic trajectory. but also. as far as possible. to suddenly present various periods of human are important achievements in the theory and practice of education and experience. Secondly. as far as possible to highlight the basic education of various historical periods. and embodies the characteristics of undergraduate Elementary Education major textbook: Foreign Educational History Outline object of primary and secondary education. Selection of historical materials to be accurate. Strive to dialectical materialism and historical materialism as a guide. realistic analysis and evaluation of the various educational ideas and issues in the discussion. An effort to make the selection. from the vast historical data as much as possible so that the students an overview of the educational history of thousands of years of foreign. Contents: education first section of the...
