Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To make great money in stock trading, you must not simply follow trends, but anticipate them. (NOTE: This work is a new edition of a classic investing book. It contains material that is all-new and all-original.) This is harder than it sounds. And for short-term traders, I believe, next to impossible. Therefore, the smart thing to do is to follow the long-term trends. That is how average people can build wealth as they work and save, then finally retire with financial freedom. If you have a fortune in stocks, you can read the news about Social Security with peace of mind. Let it go bankrupt! History teaches us that bull markets alternative with bear markets, just as high tides alternate with low tides. However, while we re living through those markets, we re caught up in the dominant emotion of the times. Greed during bull markets (remember thinking that Yahoo or just HAD to keep going higher?) Fear during bear markets (remember thinking in March 2009 that we were headed for a 4 or 5,000 Dow?) The markets do go to extremes -- and then they bounce back. And that s the key to making money with stocks. Not in minutes, days, weeks or months, but in years. Scribner Browne was an experienced stock trader, astute market observer and writer for The Magazine of Wall Street. Although his vocabulary is a little old-fashioned, most of his advice applies just as much today as it did in his time. He was quite well aware of the human weaknesses and vulnerabilities of people who sought to become wealthy through the stock market. He lived and wrote before computers, but he...
