Reviews

If you need to adding benefit, a must buy book. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this pdf to find out.

(Mrs. Glenda Rodriguez)

THE DEVELOPMENT OF STATE LEGISLATION CONCERNING THE FREE NEGRO (HARDBACK)

Lawbook Exchange, Ltd., United States, 2012. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Originally published: New York: Arbor Press, 1918. v (new introduction), vi, 207, [1] pp. With a new introduction by Paul Finkelman, President William McKinley Distinguished Professor of Law and Public Policy, Albany Law School. The published version of a Columbia University doctoral thesis, this pioneering monograph, reviews all of the laws enacted by the United States and each individual state to 1917 relating specifically to African-Americans. Based on painstaking research, this is a valuable reference for students of civil rights and African-American legal history. The Development of State Legislation Concerning the Free Negro is an odd but very important and extremely useful book. Written nearly a century ago, it is an example of the best of the Ph.D. dissertations of the first generation of doctoral students in the social sciences. It lacks any great theoretical framework or much analysis, but it is chock full of information, facts, tables, and excerpts from laws. It is also useful because many of the laws set out in this volume are not easily found otherwise. Despite the massive growth of material on the internet or in machine readable form, early laws are still hard to locate. Anyone interested in the history of segregation and racism will find Johnson's pioneering work invaluable. -- Paul Finkelman, Introduction iii.
