Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Ten Commandments, A Common Man s Opinion This opinion was written as a straight up analysis of one of the most important documents ever given to, and recorded by, Man. The Ten Commandments is not only key to all of western civilization, but is also key to each individual life. It is about the relationship of God to Mankind and the relationship of man to man. It is about the relationship of God to each of us. To each of us is the key. The ten commandments were given to Moses after Moses and his people had left Egypt, a country that had been ruled by kings and tyrants for several thousand years. All countries were ruled by kings and tyrants at this time. The individual was not important except to serve at the kings disposal during this time frame. God is addressing the individual with the Ten Commandments. This was the first time in recorded history the people and the individual were directly addressed. This book was purposely written from a simple perspective, a common sense perspective that we all can understand, to help show that what God wants from us, and for us, is not exclusive to the privileged. I did not preconceive or plan to write about such an important reality, an event, a communication between God and Man, I am just compelled to do so - for better or worse. The writing itself was a discovery mission. There have been other opinions written in the past, and today, by scholars and intellectuals and clergy. This opinion is written by a layman who likes to think and contemplate realities that have come into our...
