

BMJ Clinical Review: Cardiology Respiratory Medicine (Paperback)

By Babita Jyoti, Babita Joyti, Micahel Karvelis

BPP Learning Media, United Kingdom, 2015. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. BPP University School of Health is collaborating with the British Medical Journal to publish a series of major new reference titles across a number of subject areas. Each volume presents a range of important reference material on specific clinical topics the content of which has been carefully selected from the wealth of information contained in the extensive recent archives of the BMJ and published in the various editions of the journal. These books will provide an invaluable reference source on current best practice for all clinicians. This volume provides a collection of carefully selected clinical reviews published in the British Medical Journal focusing on cardiology and respiratory medicine written by highly recognised authors from different backgrounds. Subjects discussed include; preparticipation screening for cardiovascular abnormalities in young competitive athletes, hypercholesterolaemia and its management, investigation and management of congestive heart failure, diagnosis and management of supraventricular tachycardia, management of atrial fibrillation, anticoagulation in atrial fibrillation, catheter ablation for atrial fibrillation, clopidogrel in acute coronary syndromes, anticipating and managing bleeding complications in patients with coronary stents who are receiving dual antiplatelet treatment, cardiac...
