## SPIRITUALITY AND NARRATIVE IN PSYCHIATRIC PRACTICE: STORIES OF MIND AND SOUL (PAPERBACK)

[DOWNLOAD](#)

RCPsych Publications, United Kingdom, 2016. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. For mental health service users, spirituality and faith are closely connected with questions of relationship, transcendence, and finding meaning and purpose in life - questions best approached by way of narrative (or story). In clinical practice, narrative can provide a means of exploring the ethical and professional dilemmas that are encountered when spiritual and/or religious concerns are in evidence. Narrative has been recognised as important in both medicine and theology, and now it can be employed as a framework for addressing spirituality and religion in clinical psychiatric practice, encompassing addictions, liaison and forensic psychiatry, and spanning all ages and cultures. \* Breaks new ground in using narrative to explore the importance and challenge of spirituality in clinical psychiatric practice. \* Includes narrative excerpts and case illustrations to show how spiritual concerns can be included in a range of psychiatric treatment options. \* Provides a tool for exploring the ethical and professional dilemmas spirituality still raises in mental healthcare. \* Presents contributions from patients, chaplains, and leading psychiatrists and clinical psychologists.
