Springer Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, Team Leadership & Partnering in Nursing & Healthcare, Cynthia Armstrong Persily, Teamwork is an undisputed asset for reducing nursing and medical errors, improving quality of patient care, resolving workload issues, building cohesion, and avoiding burnout. This text helps to foster the leadership expertise and partnerships that will facilitate the delivery of the highest-quality care. It is the only text available to focus in depth on building and maintaining effective partnerships, motivating and developing others in the team, organizational analysis, strategizing, communicating, planning and managing change, measuring team and partnership effectiveness through metrics, and leveraging results within and outside of the organization. Case studies across a variety of organizations and environments and drawn from years of nursing team and leadership training, illuminate key points and provide readers with real life examples of the application of key concepts. These include such scenarios as developing a team to create, implement and evaluate a nurse residency program in a large tertiary hospital; creating a cross-agency public health team to plan and deploy rural H1N1 responses; founding a multi-campus team for the creation and implementation of a new BSN curriculum; and leadership in a partnership to support the legislative creation of a nursing workforce center. Authored by a noted expert in education, team building, and policy making in nursing and health care, the book will be of value to emerging and seasoned leaders and graduate educators and students, including CNL, DNP, and NPs. Key Features: * Examines, in depth, team leadership and professional, clinical, and educational partnering in and for nursing * Features real-life case studies in diverse practice and academic centers * Offers a practical approach to applying team leadership and partnership concepts when facilitating health care change * Reviews team models and skills,...
