LEAVE IT ALL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lucas just wanted to be a normal human being, but normal is highly over-rated. Lucas Speck had been just some guy who worked at an office supply store and house-sat for his snowbird parents. He was nobody special. Or that s what he thought before the headaches start and weird things start to happen to him. When people start chasing him his whole life gets turned upside down. Bennett Somerset is a dragon shifter, who likes his quiet life in his quiet town. He isn t looking for complications. He already has a family that defines the words, weird and crazy, to perfection. Good thing they live in a small town where nothing ever happens. That is until he smells the most delicious thing in the world and realizes it s his mate. His little witch of a mate just made things way more complicated.
