SURVIVED: WHO WOULD BELIEVE THAT ONE PERSON COULD EXPERIENCE SO MUCH IN ONE LIFETIME AND YET SURVIVE. (PAPERBACK)

iUniverse, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.If Zounerie Dovell Braxton has learned one thing in her struggle to survive, it is how to overcome adversity. In a personal yet unsentimental voice, Zounerie shares her extraordinary life experiences in a straightforward way. Intertwining stories that alternately reflect impaired judgment and clear-headed, independent perseverance, Zounerie clearly demonstrates how her steadfast faith and unwillingness to be a victim allow her to move on after each test of her strength. Zounerie ascends from abuse at the hands of her stepfather to definitive success as an award-winning teacher. The strength for her challenges and survival lie in between divorces from bigamists, unrequited love, heartache, and financial battles. Her experiences weave an engaging story that will leave you wondering how one woman could survive so many challenges. As an attorney once told Zounerie, If we were in a dark alley, and only one of us could come out, my money would be on you. You are a survivor. Her story will motivate young people to believe that they can survive and succeed, no matter what life presents. Adults, too, will gain insight into how to overcome difficulties and emerge unscathed.
