Many times it can be an invaluable teacher; other times it can crush a person into self-pity. But the lessons to be learned from suffering are many and, if we learn these lessons well, they can transform our lives, according to a young priest suffering from renal cancer. In *Lessons From the School of Suffering*, Father Jim Willig shares his story of being diagnosed in his late 40 s with terminal renal cancer and the consequences of living with cancer and undergoing various treatments, none of which have stemmed the disease. Willig, a beloved pastor and inspiring preacher, felt called to share the lessons he has learned from the great pain associated with having cancer.
