OVERCONFIDENCE - A MATTER OF EDUCATION?

Grin Verlag Nov 2012, 2012. Taschenbuch. Book Condition: Neu. 210x148x3 mm. This item is printed on demand - Print on Demand Titel. - Bachelor Thesis from the year 2012 in the subject Business economics - Miscellaneous, grade: 1, University of Applied Sciences Kufstein Tirol, language: English, comment: Die Benotung erfolgt prozentual und entspricht für diese Arbeit 93 % und ist damit unter den 3 besten des Jahrgangs. , abstract: This work examines the relationship between education and excessive confidence in situations of uncertainty. For this purpose, a questionnaire with 10 pseudo general knowledge questions was designed, whereby their degree of difficulty exceeds the knowledge of an average student by far. It was investigated whether subjects (N = 535) would acknowledge this condition and its associated nescience. If that is the case, they will answer the 10 questions within an extremely wide confidence interval in order to meet the predefined 90% accuracy requirement. The focus of investigation was in Southern Germany, as the school system regularly receives top marks in national educational rankings. The data analysis resulted in the stochastic proof that there are significant differences between the various educational institutions in accuracy and overconfidence. In addition to the empirical study the paper defines the distortion of judgment and identifies its relevant factors. It gives a detailed explanation of the German education system and states the criticism of the concept of overconfidence. The paper concludes with a recommendation for action and ventures a look ahead.-----Diese Arbeit untersucht den Zusammenhang zwischen Bildung und übermäßigem Selbstvertrauen in Situationen von Ungewissheit. Dazu wurde ein Fragebogen mit 10 Quasi-Allgemeinwissensfragen entwickelt, wobei deren Schwierigkeitsgrad das Wissen eines durchschnittlichen Schülers bei Weitem übersteigt. Es wurde untersucht, ob die Probanden (N=535) diesen Zustand und ihre damit verbundene Unwissenheit anerkennen und zur Beantwortung der 10 Fragen, innerhalb eines vorgegebenen 90%...
