

How to Read Jung How to Read

By David Tacey

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 7.6in. x 4.9in. x 0.5in. The world today hangs by a thin thread, and that thread is the psyche of man. Carl Gustav Jung The How to Read series provides a context and an explanation that will facilitate and enrich your understanding of texts vital to the canon. These books use excerpts from the major texts to explain essential topics, such as C. G. Jungs dynamic vision of the self, pitted against an ailing Western civilization. Jung was the original anti-psychiatrist, who believed that the real patient was not the suffering individual, but a sick and ailing Western civilization. His true aim, in all of his work, was a therapy of the West. David Tacey introduces the reader to Jungs unique style and approach, which is at once scientific and prophetic. He explores the radical themes at the core of Jungs psychology, and interprets the dynamic vision of the whole self that inspires and motivates Jungs work. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
