TOLSTOY (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The most striking literary phenomenon of the nineteenth century is, undoubtedly, the rise into power and prominence of Russian authors. Some fifty years ago Russian literature was practically unknown to Western Europe; by the majority of people its very existence seems to have been unsuspected; we find even so great an adventurer as Carlyle, himself guiding his countrymen to many new tracts of literary discovery, speaking of the great silent Russians who are drilling a whole continent into obedience, but who have produced nothing articulate as yet. [1] In less than thirty years from the time when Carlyle penned that sentence Russian literature had become recognised as one of the most powerful and vital in Europe; its influence, already enormous, increases every day; it is great in France, in Germany, in Scandinavia, even in conservative England; hardly since the Renaissance has Europe beheld such a phenomenon-a literary advance at once so rapid and so great. [1] Heroes and Hero Worship.
