Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Deity, Jennifer L. Armentrout, Escape with the remarkable third novel of the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Also includes the bonus novella Elixir. Enter the world of Covenant. Alexandria's eighteenth birthday - and her Awakening - is approaching. If she even makes it. A long-forgotten, fanatical order is out to kill her and, if that isn't freaky enough, Alex is guarding a dark secret, too. If anyone finds out what she did, she's a goner - and so is Aiden. Alex still has feelings for Aiden, even though he's a pure-blood and therefore forbidden. Meanwhile, she's been 'training' with her fellow Apollyon Seth - though really that's just Seth's code word for some up-close-and-personal time. After every session Alex ends up with another mark of the Apollyon, which brings her one step closer to her Awakening ahead of schedule. Awesome. But as Alex's birthday draws near, her entire world is shattered by a startling revelation. Once the gods have revealed themselves and unleashed their wrath, lives will be irrevocably changed - and destroyed. Those left standing will find out if love is truly greater than fate.
